

Certification of CPNI Filing (February 3, 2006)
Amp'd Mobile, Inc.
EB-06-TC-060

I, Douglas Molyneux, serve as Vice President and General Counsel of Amp'd Mobile, Inc. ("Amp'd"), a mobile virtual network operator and provider of commercial mobile radio services. Amp'd recently launched commercial service in January, 2006, and therefore is within its first period of compliance with the Commission's customer proprietary network information ("CPNI") rules. Amp'd's operating procedures ensure that the company is in compliance with Section 222 of the Communications Act of 1934, as amended, and Section 64.2009 of the Commission's rules. In addition, Amp'd will on an annual basis maintain the certificate and statement required by Section 64.2009(e) of the Commission's Rules. *See* 47 C.F.R. § 64.2009(e).
